Regulations Regarding Leaves of Absence

1. Unless eligible for the Filing Fee in the quarter in which the degree is to be awarded (see Standards and Procedures for Graduate Study at UCLA www.gdnet.ucla.edu/gasaa/library/spintro.htm for details), a graduate student must either be registered or on official Leave of Absence each regular academic quarter until a degree is awarded. Failure to be registered or on Leave of Absence will result in a lapse of student status. Lapse of student status may require a student to be readmitted to the University to complete current degree requirements.
2. Leaves of Absence are available *only* to continuing graduate students in good standing (minimum 3.0 GPA).
3. Please note that a Leave of Absence is a privilege. Students should consult with their major program to determine what are acceptable reasons for a leave to be granted. The Dean of the Graduate Division makes the final decision to approve or deny a request for a Leave of Absence.
4. The deadline for Requests for Leaves of Absence and Extensions of Leave of Absence is the end of the second week of the quarter in which the leave is to begin. Please note that the Registrar's refund schedule is based on the date this form is submitted to the Graduate Division, and that the deadline for submission of the request for a Leave of Absence is different from the deadline for receiving a 100% refund of fees paid.
5. Each Leave of Absence or Extension of Leave of Absence may be granted for one to three quarters.
6. The *total* amount of Leave of Absence for any graduate student may not exceed two years (6 quarters).
7. A student on official Leave of Absence is not to make use of University facilities or faculty time under the provision detailed below:
 - a. A student on leave of Absence may purchase a library card. See the library card window at the Young Research Library for details and restrictions.
 - b. If it is anticipated that a student will use twelve or more hours of University facilities (excluding the library) and faculty time during the period of Leave of Absence, the student is not eligible for a Leave of Absence or an Extension of Leave of Absence.
 - c. If a student has accumulated twelve or more hours of use of University facilities (excluding the library) and faculty time since being registered, the student is not eligible for an Extension of the Leave of Absence.
8. Registration information will be sent to the mailing address provided approximately four weeks prior to the term the student is scheduled to return.
9. In order to return to the University before the Leave expires, the student must notify the Graduate Division, 1255 Murphy Hall and the Registrar's Office, 1113 Murphy Hall, *in writing*, at least four weeks before the term begins. Less than four weeks notification may result in the late registration fee being assessed.
10. Refund calculations are based on calendar days, beginning with the first day of instruction. The effective date for determining a refund of fees is the date the completed form is submitted to the Graduate Division. Refund information can be found in the Refund Charts section of the Fees page on the Registrar's website:

www.registrar.ucla.edu/fees/

There is no refund of the UC SHIP fee. Refunds are calculated on the remainder of your registration fees minus the cost of the UC SHIP coverage. If you wish to request a full refund of the UC Student Health Insurance fee, you must send your request directly to the Arthur Ashe Student Health Center insurance office by e-mail to INSURSHS@ashe.ucla.edu before the end of the current term. Your email must include your full name, UID#, date of birth, and reason for refund request. The UC SHIP Insurance office will verify that you have not accessed the benefits or used any aspect of the plan services before any refund can be considered. This process may take up to 30 business days to complete. No refund of UC SHIP will be granted if any claim(s) have been paid.
